

PainMonit Database – Data Usage Agreement

The following Data Usage Agreement (DUA) describes the Terms of Use for the PainMonit Database.

I. Acceptance of this Agreement

Upon downloading or otherwise accessing the PainMonit Database, the downloader/user acknowledges and accepts this DUA.

II. Academic Research Only

The database is intended for academic research purposes only. Any commercial use is strictly prohibited.

III. Restricted Distribution

The database shall not be distributed to parties not explicitly listed in this agreement or displayed or made accessible in any public space.

IV. No Warranty and Limitation of Liability

The PainMonit Database is provided without any warranty. The university of Lübeck is not responsible for any damage caused by the use of the database.

V. Citation Requirement

Any publication reporting on the use of the PainMonit Database must include proper citation to the following paper, which provide comprehensive description of the database:

Gouverneur, P., Badura, A., Li, F. et al. An Experimental and Clinical Physiological Signal Dataset for Automated Pain Recognition. Sci Data 11, 1051 (2024).
